Q1 **What are the strengths and weaknesses of your teaching assistant (discussion section leader, lab section leader, grader, or other assistant) as an instructor, and how might his or her teaching be improved?**

- Giovanna was an excellent TA. She was helpful, always available and dedicated to her work. She helped us not only to understand the content of the class, but to think through it and find applications. Her sections were always very clarifying and her almost 24-7 availability was fundamental for the class.

- Giovanna was an excellent TA! She did a great job leading recitations and always graded and returned problem sets promptly.
